¹ Based on EO 13688 (January 2015) and subsequent implementation reports. Does not include woodland or desert patterns or solid color uniforms. Camouflage-patterned uniforms acquired through Federal programs are authorized to be worn only in environments where they actually camouflage the wearer, and may not be worn cities, towns, and other urban or populous areas.

Equipment	EO Prohibited or Controlled	FY23 Changes for DHS Grants
		accredited bomb squads and explosive detection canine training.
Breaching Apparatus	Controlled	Changes from Allowed to Controlled.
Vehicles that do not have a commercial application, including all tracked and armored vehicles.	Prohibited	Changes from Allowed to Prohibited with Exceptions. Recipients can purchase non-commercial vehicles but must certify in writing that the vehicle will be used exclusively for disaster-related emergencies; active shooter scenarios; hostage or other search and rescue operations; or anti-terrorism preparedness, protection, prevention, response, recovery, or relief.
Aircraft that are combat-configured or combat-coded, have no established commercial flight application, or have no application for disaster-related emergencies; active shooter scenarios; hostage or other search and rescue operations; or anti-terrorism preparedness, protection, prevention, response, recovery, or relief.	Prohibited	Aircraft with an established commercial flight application continue to be allowed. Combat-configured or combat-coded aircraft remain unallowable. Aircraft with no established commercial flight application changes to prohibited unless it has an application for disaster-related emergencies; active shooter scenarios; hostage or other search and rescue operations; or anti-terrorism preparedness, protection, prevention, response, recovery, or relief.

For questions on applicability for specific programs, please reach out to your Program Office POC.
